Verse 1 Be slaves no more and break those chains!
      Take up arms to defend our rightful gains
      Don't let our sweat and toil be for naught
      Our blood to be payment for freedom bought

Chorus No! To the boot that steps on our hand
      No! To the taxes that steals produce from our land
      No! To the gentry in tyranny reigns
      Be slaves no more and break those chains!

Verse 2 Free our brothers in the oubliette
      Respect our sisters preparing the croquette
      United we stand, so our children can live free
      Our voices in unison for liberty!

Repeat Chorus

Verse 3 Be slaves no more and break those chains!
      Take up arms to defend our rightful gains
      United we stand, so our children can live free
      Our voices in unison for liberty!

Repeat Chorus

Sung to the tune of *God Defend New Zealand*.
